Such proof shall include a list of the entity's officers, directors, members or managers, as reflected in the minutes, resolutions or other similar business documents of the entity. All acts of that individual as designated broker shall be considered acts of the licensed business entity. Nothing in this section is intended to create liability to a legal business entity for illegal or fraudulent acts by the individual broker performed solely on his own account.

(d) A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker's license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the Commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the entity in the manner required above, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

Any salesperson acting as a branch manager on July 1, 2005, shall have until July 1, 2006, to obtain an associate broker's license. When a branch manager is a regular full-time employee or is engaged in a full-time activity at a location other than the place he is licensed to do business, a presumption will be made that the branch manager is unable to responsibly supervise the branch; provided however, the presumption may be overcome by evidence to the contrary which the Commission determines to be satisfactory.

54-2038. Designated Broker—General Responsibilities.

The requirement that each brokerage company be maintained and conducted in compliance with the Idaho real estate license law and the Idaho real estate brokerage representation act is the responsibility of its designated broker. The designated broker is responsible for the actions of its licensees and associated unlicensed persons performed within the course and scope of their employment or agency, regardless of the location of the company's business or where representation is conducted.

(1) A designated broker is required to:

(a) Supervise and control, in the manner required by law and rule, all office locations, and the activities of all licensees and unlicensed persons associated with that brokerage company or for whom that designated broker is responsible;

(b) Review and approve all real estate agreements including, but not limited to, those related to listing, selling or purchasing property and brokerage representation agreements;

(c) Be reasonably available to manage and supervise the brokerage company during regular business hours. When a broker is a regular full-time employee or is engaged in a full-time activity at a location other than where the broker is licensed to do business, a presumption will be made that the broker is unable to manage and supervise the brokerage company in accordance with these requirements, and no sales associate shall be licensed under the broker until such presumption is overcome by evidence to the contrary, satisfactory to the Commission.

(2) A broker who is otherwise qualified to do business in Idaho, but is not able to manage and supervise according to this section, may be licensed as a “limited broker” in Idaho and shall not have any sales associates licensed under that broker.

(3) A designated broker shall not allow any person who is not properly licensed to represent that broker as a sales associate or otherwise, in any real estate business activities requiring a real estate license. “Properly licensed” means a license or a change in license that has been made effective by the Commission.

54-2039. Broker and Branch Office Manager Absences and Changes.

Each real estate brokerage company must have a legally qualified individual acting as designated broker at all times. Each branch office licensed under section 54-2016(4), Idaho Code, shall have, at all times, a legally qualified individual acting as branch office manager.

(1) Broker or branch manager absent for more than twenty-one days. A designated broker who is absent from his main office for more than twenty-one (21) consecutive days shall appoint a qualified designated broker of another office, or an associate broker who is licensed and associated with the absent broker, to manage, supervise and oversee the regular office operations of the company in his absence. A branch office manager who is absent for more than twenty-one (21) consecutive days from a branch office in which trust funds and original transaction files are maintained shall appoint a qualified individual to manage, supervise and oversee the regular office operations of the company in his absence. The appointee shall conduct all supervisory activities normally required of the designated broker or branch manager. Except in the event of an emergency, the designated broker or branch manager shall notify the Commission in writing of the name of the appointee prior to the broker or manager leaving the office for an extended period of more than twenty-one (21) consecutive days.

(2) Broker or branch manager absent for more than sixty days. A designated broker, or manager of a branch office in which trust funds and original transaction files are maintained, shall not be absent from his main office for a period longer than sixty (60) consecutive days. In the case of such extended absence, another qualified individual shall be designated to act as broker or branch office manager. If a designated broker is absent from his main office for a period longer than sixty (60) consecutive days, and no new broker is designated to act as broker for the brokerage company, the Commission shall place on inactive status the licenses of the absent broker and of all licensees associated with him, and all brokerage listing agreements and all buyer brokerage agreements shall be terminated.

(3) Change of broker in business entity. A license issued to a legal business entity, as defined in this chapter, is effective only as long as the individual designated broker’s license is in active status and in effect. If the individual so designated has a license refused, revoked, suspended or otherwise made inactive by the Commission, or if the individual designated broker voluntarily surrenders the individual license or ceases to be connected with the

entity in the manner required in this chapter, the business entity shall have ten (10) business days in which to designate another qualified individual as designated broker before the entity's license is terminated, and the licenses of all associated licensees are made inactive.

(4) Effective date of changes. No change in designated broker shall be effective until written notice is received and approved by the Commission, in the form required.

(5) Failure to comply. Original broker to remain responsible except in the case of revocation. Where a licensed brokerage company fails to comply with this section and its office is closed, or during any period where the designated broker has left the brokerage company and no new broker has been designated to act for the company, the original designated broker shall remain responsible for trust account funds, pending transactions and records in the manner described in sections 54-2041 through 54-2049, Idaho Code. However, if the license of the original designated broker of the brokerage company is revoked, the license of that brokerage company shall be made inactive and its office closed until the company designates another qualified individual to act as broker.

54-2040. Main Office or Business Location - Display of License.

(1) Definite location required. Each individual licensed as a designated real estate broker under the provisions of this chapter shall be required to have and maintain a definite, physical place of business, which place shall serve as his main office for the transaction of business and be regarded for the intent and purpose of this chapter as his principal place of business. Notice in writing shall be given to the Commission of any change by the broker of the business name, location, or mailing address along with the fee for issuance of a new license certificate. Upon receipt of the new license certificate or upon its effective date, whichever is later, the broker shall remove from public view any license certificate bearing the former business name or former location. A change of business name or location without notification to the Commission and issuance of a new license certificate shall automatically inactivate the license previously issued. The broker shall also notify the Commission in writing of any change in the business telephone number.

(2) Broker for more than one business. A qualified individual may be the designated broker for more than one (1) licensed real estate business entity only if all licensed businesses operate their main offices at the same physical location.

(3) Brokers sharing same business location. More than one (1) individually licensed broker may operate an office at the same address only if each broker operates under a business name which clearly identifies the broker as an individual within the group of brokers, and each broker shall maintain his or her records and trust accounts separate from all other brokers.

(4) Business name and display of licenses. A broker shall not conduct business under any name other than the one in which the license is issued. The current license certificate for the broker and for each associate licensed with the broker shall be prominently displayed or available for public in-

spection in the office designated with the Commission as the broker's main office location. No other location may be used as a main office location until proper notice is acknowledged by the Commission.

(5) Lending license prohibited. A broker shall not lend or permit the use of the broker's license, whether for compensation or not, to enable anyone licensed or unlicensed to, in fact, establish or carry on a business for which a real estate broker's license is required, wherein the broker does not actively manage and have full control. In like manner, a salesperson shall not use another person's broker's license, whether for compensation or not, to establish or carry on a business for which a broker's license is required, nor to manage and control the office, except as allowed by sections 54-2016(4) and 54-2039(1), Idaho Code.

(6) Return of license certificate. Upon surrender of a real estate license or upon notice of suspension or revocation of such license, the broker shall immediately forward the license certificate to the Commission. The license certificate of any sales associate licensed under and associated with a broker whose license is to be surrendered, suspended or revoked shall be returned to the Commission on or before the effective date of the notice or order surrendering, suspending or revoking the broker's license.

(4) Each broker trust account must have a separate and complete set of records, which must consist of a monthly accounting, deposits, charges, and withdrawals or checks, even if the moneys are on deposit with a title company, attorney or other approved depository. The broker is responsible for ensuring that these separate account records are provided by the depository.

(5) Funds deposited in a real estate trust account must be subject to withdrawal on demand at the order or direction of the broker at all times, even if deposited with a title company or other approved depository.

Maintenance funds shall not be disbursed for any purpose other than to cover bank charges charged directly to the trust account by the bank.

The broker may deposit funds in a separate, interest-bearing trust account for a single transaction if directed in writing by both parties to the transaction, and only if the following additional requirements are met:

(1) The interest-bearing trust account must be established in accordance with all requirements in section 54-2042, Idaho Code. However, the interest-bearing trust account shall be created at an approved depository, ~~in Idaho~~.

(4) There must be a written agreement signed by both the buyer and the seller stating who is to receive the interest accrued from the deposit. This agreement is to be retained by the responsible broker in the transaction file with a copy given to the buyer and the seller.

54-2044. Trust Account Record keeping–Format of Records Required.

In order that the financial interests of the consumers of Idaho be adequately protected, each designated broker is required to create and maintain the following records regarding any real estate trust account, and is required to reconcile and balance each trust account with all ledger records, the check register and the bank statement at least once each month. Any electronic record keeping system is required to have a generally accepted and adequate backup system in use at all times.

(1) Maintenance ledger record. A separate ledger card or record, herein called "ledgers," identified as "trust account maintenance fund" shall be initiated when the broker's or firm's funds are initially deposited into the trust account. These ledgers shall be filed at all times with the broker's current "open" ledgers of pending transactions. Additions or deductions to trust account maintenance funds shall be posted to the ledger records as soon as the broker is given notice of the deposit or deduction. The balance on this maintenance fund ledger shall be kept current at all times.

An individual trust ledger shall be immediately created whenever a broker, or any licensed or unlicensed person representing the broker, receives earnest money or other consideration, even if the consideration will be deposited with, held by, paid directly to, transferred or delivered to a title company, other approved depository, or any other person, as directed in writing, and signed by both parties to the transaction. Receipt of consideration, for purposes of this chapter, occurs when the broker or any person representing the broker, takes physical possession of the consideration or assumes the responsibility to deliver or deposit it.

(3) When a broker deposits funds with another broker, an approved depository, or directly to the seller or any other person, as directed in writing by both parties to the transaction, a ledger record must be created by the transferring broker, with a transaction number assigned. Upon transfer of funds or consideration, a receipt for such deposit shall be obtained and retained in the transaction files of the transferring broker. The receipt must show the name of the payee and date of transfer.

(4) Additional requirements for creating an individual trust ledger record are set forth in section 54-2045, Idaho Code. Individual trust ledger records

must each be assigned a transaction number. In addition, each individual trust account ledger record created must contain:

- (a) The next chronological transaction number for each transaction;
- (b) The names of both parties to the transaction;
- (c) The location of the property;
- (d) The date of each deposit and disbursement;
- (e) The name of the payor or payee;
- (f) The amount and check number of each disbursement;
- (g) The amount and nature of the deposit;
- (h) The current balance; and

(i) After the transaction is closed, each individual ledger record must show the final disposition of the transaction and funds.

A broker's trust account ledger records must be maintained with one (1) file, electronic or hard copy, for closed, terminated and rejected transactions, and a separate file for transactions pending but not closed. Ledger records shall be kept in order by transaction number. Ledger posting must be kept current at all times.

(5) Trust account checks. The broker shall maintain consecutively numbered checks for each trust account, which checks must:

(a) Contain the broker's licensed business name and current business address; and

(b) Be imprinted with the words "real estate trust account."

(6) Check register or journal. A check register or journal must be posted properly, maintained and kept current by the broker at all times even if funds are held at a title company or other approved depository. The register must itemize deposits and disbursements in consecutive order, and must also clearly show:

- (a) The date of the deposit or disbursement;
- (b) The payee or payor;
- (c) The amount and purpose of any deposits or disbursements;
- (d) The check number;
- (e) The transaction number; and
- (f) The current cash balance remaining in that trust account.

(7) Duplicate bank deposit record. For each trust account, the broker shall maintain, in hard copy, a duplicate bank deposit record, which shall be imprinted with the broker's business name and the words, "real estate trust account." Each deposit record shall state:

(a) The name of the person or firm placing the money with the broker's office;

(b) The date of the deposit; and

(c) The transaction number. The duplicate deposit record shall be retained in the bank deposit records in proper chronological sequence and shall be date stamped by the bank or the bank deposit receipt shall be attached to the duplicate deposit record in the deposit records.

(8) Real estate trust account checks. For each trust account, the broker shall maintain a set of consecutively numbered checks, which shall be imprinted with the broker's business name and address and the words "real

estate trust account.” Any check drawn on such a trust account shall be identified by a transaction number noted on the face of the check. Any voided trust account check shall be marked “VOID” and retained in numerical sequence with the other checks for the banking month.

54-2045. Trust Account Deposits and Receipt of Consideration.

Except as otherwise provided in this section, all entrusted funds received by a broker in connection with a regulated real estate transaction, including, but not limited to, earnest money, shall be deposited into a real estate trust account maintained by the broker at an approved depository located in the state of Idaho. In addition, all earnest money, option money, promissory notes, tangible personal property and any other consideration received by a broker, regardless of form, must be accounted for upon receipt and in the following manner:

(1) Time of deposit. All moneys received by a broker for another in a real estate transaction are to be deposited on or before the banking day immediately following the receipt day of such funds, unless written instructions signed by the party or parties having an interest in the funds direct the broker to do otherwise.

(2) Checks held in uncashed form. A ledger record must also be created when the broker or associate receives a check to be held for later deposit. However, such a check must be accompanied by written instructions in the purchase and sale agreement or offer to withhold deposit until a time certain, such as acceptance of the offer by the seller.

(3) Consideration returned before deposit. A ledger record must also be created even if the consideration received by a broker or salesperson is to be returned before it has been deposited or otherwise properly transferred. A written and dated notation must be placed on both the purchase and sale agreement, offer or other document dealing with the consideration, and on the ledger record. No consideration is to be returned without the knowledge and consent of the broker.

(4) Consideration received by sales associate. All consideration, including cash, checks held in uncashed form and promissory notes, received by a sales associate in connection with a real estate transaction shall be immediately delivered to the broker or the broker’s office.

54-2046. Trust Account Disbursements.

The broker who holds entrusted funds or like payments in lieu of cash received in a regulated real estate transaction is fully responsible for all such funds until a full accounting has been made to the parties involved. All cash or like payments in lieu of cash must be disbursed from the real estate trust account only in accordance with this section. Failure to comply with this section is a violation of license law and will subject the broker to discipline.

(1) Written authorization required. No disbursements shall be made without a written, signed authorization by the parties to the transaction or an order

of the court. Written and signed instructions from parties to the transaction may be in the purchase and sale agreement or in a separate document.

(2) Disbursements in advance of closing. No disbursements shall be made in advance of closing or before the happening of a condition set forth in the purchase and sale agreement or other agreement in a regulated real estate transaction to the seller, closing agent or any other person without the required written and signed authorization.

(3) Disbursements to escrow agent. When set forth in the purchase and sale agreement that funds are to be disbursed to the person or company named as the escrow closing agent or agency, such disbursement shall be made to the person, company, agent or agency on or before the day of closing, and receipt for such disbursement shall be retained in the broker's transaction file.

(4) Withdrawal of broker's commission. No disbursement of any portion of the broker's commission shall take place without prior written, signed authorization from the buyer and seller or until copies of the closing statements, signed by the buyer and seller, have been delivered to the broker and until the buyer or seller has been paid the amount due as determined by the closing statement.

(5) Provision for forfeited earnest money. The purchase and sale agreement must include a provision for division of moneys taken as earnest money when the transaction is not closed and such moneys are retained by any person as forfeited payment.

54-2047. Disputed Earnest Money.

(1) Any time more than one (1) party to a transaction makes demand on funds or other consideration for which the broker is responsible, such as, but not limited to, earnest money deposits, the broker shall:

(a) Notify each party, in writing, of the demand of the other party; and

(b) Keep all parties to the transaction informed of any actions by the broker regarding the disputed funds or other consideration, including retention of the funds by the broker until the dispute is properly resolved.

(2) The broker may reasonably rely on the terms of the purchase and sale agreement or other written documents signed by both parties to determine how to disburse the disputed money and may, at the broker's own discretion, make such disbursement. Discretionary disbursement by the broker based on a reasonable review of the known facts is not a violation of license law, but may subject the broker to civil liability.

(3) If the broker does not believe it is reasonably possible to disburse the disputed funds, the broker may hold the funds until ordered by a court of proper jurisdiction to make a disbursement. The broker shall give all parties written notice of any decision to hold the funds pending a court order for disbursement.

54-2048. Responsible Broker for the Transaction—Duties and Record-keeping.

The “responsible broker,” as referred to in this section, shall be responsible to the Commission for the transaction, transaction records, the funds and closing in accordance with the requirements of this chapter. The broker who lists and sells any real property shall be deemed the responsible broker in the transaction. In the case of a cooperative sale, the broker who holds entrusted funds in a real estate trust account while the transaction is pending, or who delivers or transfers the funds to the closing agency or any authorized party other than the cooperating broker in the transaction, shall be deemed the broker responsible for the transaction. The responsible broker shall:

(1) Ensure the correctness and delivery of detailed closing statements which accurately reflect all receipts and disbursements for their respective accounts to both the buyer and seller in a transaction, even if the closing is completed by a real estate escrow closing agent, title company or other authorized third party and regardless of the responsible broker’s agent or nonagent relationship to the buyer or seller.

(2) Show proof of delivery of the closing statement to the buyer and seller by their signatures on copies of such closing statements which shall be retained in the broker’s transaction file. When signatures of the parties cannot be obtained, a copy of the closing statement transmittal letter, sent by certified mail, return receipt requested, or a written certification of delivery signed by an officer of the escrow closing agency, shall be retained in the broker’s transaction files.

(3) Create and maintain, for the retention period required in section 54-2049, Idaho Code, a transaction file containing the following documents, as applicable. For all pending, closed or fallen transactions, the original or a true and correct copy of:

(a) Signed closing statements, if applicable;

(b) Written and signed brokerage representation agreements, if any. A responsible broker who is representing both the seller and the buyer in a transaction shall retain properly executed brokerage representation agreements in the transaction file, and, if appropriate to the transaction, a properly executed “consent to limited dual representation” statement. A responsible broker who has a signed brokerage representation agreement with only one (1) party to the transaction, either buyer or seller, must only retain that one (1) agreement in the transaction file;

(c) All offers accepted, countered or rejected, which must each be retained in the manner required in section 54-2049, Idaho Code;

(d) All offers presented to the seller and not accepted by that seller shall be clearly marked and dated as rejected. The original or a true and correct copy of all rejected offers must be retained in the files of the selling broker for the statutory records retention period in section 54-2049, Idaho Code.

54-2049. Record Retention Schedules.

All records required in this chapter to be kept and maintained by a real estate broker, including trust account and financial records, transaction files

and other records are to be kept in the broker's files according to this section. The following records must be kept by a broker for three (3) calendar years after the year in which the event occurred, the transaction closed, all funds were disbursed, or the agreement and any written extension expired:

- (1) The original or true copy of all accepted, countered or rejected offers;
- (2) Listing or buyer brokerage representation agreements and "consent to limited dual representation" forms;
- (3) Transaction files and the contents required in section 54-2048(3), Idaho Code;
- (4) Trust account ledger records; and
- (5) All trust account reconciliation records, as defined in this chapter.

54-2050. Brokerage Representation Agreements—Required Elements.

All real estate brokerage representation agreements, whether with a buyer or seller, must be in writing in the manner required by section 54-2085, Idaho Code, and must contain the following contract provisions:

(1) Seller representation agreements. Each seller representation agreement, whether exclusive or nonexclusive, must contain the following provisions:

- (a) Conspicuous and definite beginning and expiration dates;
- (b) A legally enforceable description of the property;
- (c) Price and terms;
- (d) All fees or commissions; and
- (e) The signature of the owner of the real estate or the owner's legal, appointed and duly qualified representative, and the date of such signature.

(2) Buyer representation agreements. Each buyer representation agreement, whether exclusive or nonexclusive, must contain the following provisions:

- (a) Conspicuous and definite beginning and expiration dates;
- (b) All financial obligations of the buyer or prospective buyer, if any, including, but not limited to, fees or commissions;
- (c) The manner in which any fee or commission will be paid to the broker; and
- (d) Appropriate signatures and their dates.

(3) Prohibited provisions and exceptions—Automatic renewal clauses. No buyer or seller representation agreement shall contain a provision requiring the party signing the agreement to notify the broker of the party's intention to cancel the agreement after the definite expiration date, unless the representation agreement states that it is completely nonexclusive and it contains no financial obligation, fee or commission due from the party signing the agreement.

(4) Copies required. A broker or salesperson who obtains a written brokerage representation agreement of any kind shall, at the time of securing such agreement, give the person or persons signing such agreement, a legible, signed, true and correct copy thereof. To the extent the parties have agreed

in writing, copies that are electronically generated or transmitted, faxed or delivered in another method shall be deemed true and correct.

(5) Electronically generated agreements. To the extent the parties have agreed in writing, brokerage representation agreements with a buyer or seller that are electronically generated or transmitted, faxed or delivered in another method shall be deemed true and correct and enforceable as originals.

54-2051. Offers to Purchase.

(1) A broker or sales associate shall, as promptly as practicable, tender to the seller every written offer to purchase obtained on the real estate involved, up until time of closing, and shall obtain the signature of the seller or seller's agent verifying time and date such offer was received. A purchase and sale agreement signed by the prospective buyer shall be deemed in all respects an offer to purchase.

(2) Immediately upon receiving any offer to purchase signed and dated by the buyer and any consideration, a broker or salesperson shall provide a copy of the offer to purchase to the buyer as a receipt.

(3) Upon obtaining a properly signed and dated acceptance of an offer to purchase, the broker or sales associate shall promptly deliver true and legible copies of such accepted offer to both the buyer and the seller.

(4) The broker or sales associate shall make certain that all offers to purchase real property or any interest therein are in writing and contain all of the following specific terms, provisions and statements:

(a) All terms and conditions of the real estate transaction as directed by the buyer or seller;

(b) The actual form and amount of the consideration received as earnest money;

(c) The name of the responsible broker in the transaction, as defined in section 54-2048, Idaho Code;

(d) The "representation confirmation" statement required in section 54-2085(4), Idaho Code, and, only if applicable to the transaction, the "consent to limited dual representation" as required in section 54-2088, Idaho Code;

(e) A provision for division of earnest money retained by any person as forfeited payment should the transaction not close;

(f) All appropriate signatures; and

(g) A legal description of the property.

(5) All changes made to any offer to purchase or other real estate purchase agreement shall be initialed and dated by the parties to the transaction.

54-2052. Electronically Generated Agreements.

To the extent the parties to the transaction have agreed in writing offers to purchase, counteroffers and acceptances may be electronically generated or transmitted, faxed or delivered in another method shall be deemed as true and correct and enforceable as originals.

54-2053. Advertising.

(1) Only licensees who are actively licensed in Idaho may be named by an Idaho broker in any type of advertising of Idaho real property, may advertise Idaho property in Idaho or may have a sign placed on Idaho property.

(2) All advertising of listed property shall contain the broker's licensed business name. A new business name shall not be used or shown in advertising unless and until a proper notice of change in the business name has been approved by the Commission.

(3) All advertising by licensed branch offices shall contain the broker's licensed business name.

(4) No advertising shall provide any information to the public or to prospective customers or clients which is misleading in nature. Information is misleading if, when taken as a whole, there is a distinct probability that such information will deceive the persons whom it is intended to influence.

54-2054. Compensation, Commissions and Fees - Prohibited Conduct.

(1) Court action for fee collection. No person engaged in the business or acting in the capacity of real estate broker or salesperson in Idaho shall bring or maintain any action in the courts for the collection of a fee, commission or other compensation for the performance of any acts requiring a real estate license as provided in section 54-2002, Idaho Code, without alleging and proving that such person was an actively licensed broker or salesperson in Idaho at the time the alleged cause of action arose.

(2) Fee-splitting with unlicensed persons prohibited. Unless otherwise allowed by statute or rule, a real estate broker, associate broker or salesperson licensed in the state of Idaho shall not pay any part or share of a commission, fee or compensation received in the licensee's capacity as such in a regulated real estate transaction to any person who is not actively licensed as a real estate broker in Idaho or in another state or jurisdiction. The Idaho broker making the payment to another licensed person is responsible for verifying the active licensed status of the receiving broker. This section shall not prohibit payment of a part or share of a commission, fee or compensation by the broker to a legal business entity, all of whose shareholders, members or other persons having a similar ownership interest are active real estate licensees. An Idaho licensee may pay any part or share of a commission, fee or compensation received, directly to the buyer or seller in the real estate transaction. However, no commission, fee or compensation may be split with any party to the transaction in a manner which would directly or indirectly create a double contract, as defined in this chapter, or which would otherwise mislead any broker, lender, title company or government agency involved in the transaction regarding the source of funds used to complete the real estate transaction or regarding the financial resources or obligations of the buyer.

(3) Finder's fees prohibited. Any offer of monetary value, by an Idaho licensee, to any person who is not licensed in Idaho or any state or jurisdiction, made for the purpose of inducing such unlicensed person to secure prospects to buy, sell, option, or otherwise dispose of an interest in real

property shall be considered to be splitting fees with an unlicensed person, and is prohibited.

(4) Interference with real estate brokerage agreement prohibited. It shall be unlawful for any person, licensed or unlicensed, to interfere with the contractual relationship between a broker and a client. Communicating a company's relocation policy or benefits to a transferring employee or consumer shall not be considered a violation of this subsection so long as the communication does not involve advice or encouragement on how to terminate or amend an existing contractual relationship between a broker and client.

(5) Double contracts prohibited. No licensed broker or salesperson shall use, propose the use of, agree to the use of, or knowingly permit the use of a double contract, as defined in section 54-2004, Idaho Code, in connection with any regulated real estate transaction. Such conduct by a licensee shall be deemed flagrant misconduct and dishonorable and dishonest dealing and shall subject the licensee to disciplinary action by the Commission.

(6) Kickbacks and rebates prohibited. No licensed real estate broker or salesperson shall receive a kickback or rebate for directing any transaction to any individual for financing. A licensee shall not receive a kickback or unearned fee for directing any transaction to any lending institution, escrow or title company, as those practices are defined and prohibited by the real estate settlement procedures act. However, a licensee legally receiving any fee or rebate from any person providing direct services to either the buyer or the seller in connection with a regulated real estate transaction is required to disclose the licensee's intent to receive such fee, rebate or compensation in writing to all parties to the transaction prior to closing.

(7) Compensation from more than one party. No licensed real estate broker or salesperson shall charge or accept compensation from more than one (1) party in any one (1) transaction, without first making full disclosure in writing of the broker's intent to do so, to all parties involved in the transaction.

(8) After-the-fact referral fees prohibited. It shall be unlawful for any person to solicit or request a referral fee or similar payment from a licensed Idaho real estate broker or sales associate, for the referral of a buyer or seller in connection with a regulated real estate transaction, unless the person seeking the referral fee has reasonable cause. "Reasonable cause" shall not exist unless:

(a) The person seeking the referral fee has a written contractual relationship with the Idaho real estate broker for a referral fee or similar payment; and

(b) The contractual relationship providing for the referral fee exists at the time the buyer or seller purportedly referred by such person signs a written agreement with the Idaho broker for the listing of the real estate or for representation by the broker, or the buyer signs an offer to purchase the real estate involved in the transaction.

It shall be unlawful for any person including, but not limited to, a relocation company or company with a relocation policy or benefits, to directly or indirectly threaten to or actually reduce or withhold promised or expected employee or customer relocation benefits from a buyer or seller in a regulated

real estate transaction based upon a broker's participation in payment of a referral fee or other fee.

(9) All fees must be paid through broker. No sales associate shall accept any commission, compensation or fee for the performance of any acts requiring a real estate license from any person except the real estate broker with whom the sales associate is licensed. However, if authorized by the broker, a sales associate may pay all or any portion of the accepted commission, compensation or fee to any other sales associate who is licensed with the same broker. A broker may pay a former sales associate for services performed while the sales associate was actively licensed with that broker, regardless of the former sales associate's license status at the time the commission or fee is actually paid.

54-2055. Licensees Dealing with Their Own Property.

(1) Any actively licensed Idaho broker, sales associate, or legal business entity shall comply with this entire chapter when that licensee is buying, selling or otherwise acquiring or disposing of the licensee's own interest in real property in a regulated real estate transaction.

(2) A licensee shall disclose in writing to any buyer or seller that the licensee holds an active Idaho real estate license, if the licensee directly, indirectly, or through a third party, sells or purchases an interest in real property for personal use or any other purpose; or acquires or intends to acquire any interest in real property or any option to purchase real property.

(3) Each actively licensed person buying or selling real property or any interest therein, in a regulated real estate transaction, must conduct the transaction through the broker with whom he is licensed, whether or not the property is listed.

54-2056. Terminating or Changing Licensed Business Relationships.

(1) Termination of licensed association. A sales associate who terminates his licensed association with a broker shall provide the broker written notice of the termination and no later than three (3) business days after the effective date. A broker who terminates the licensed association of a sales associate shall provide the associate written notice of the termination and no later than three (3) business days after the effective date. A licensee's written notice to the Commission does not relieve him of the duty to provide written notice to the other licensee that he is terminating the licensed association. Upon written notice of the termination of a sales associate's licensed business association with a broker, whether by the broker or by the sales associate, the broker shall remove from public view the former associate's license certificate.

(2) New association. The broker shall submit a written application, in the form and manner approved by the Commission, for each sales associate licensing with the broker.

(3) Termination for cause. Any broker who terminates the association of a sales associate for the violation of any of the provisions of sections 54-2059 through 54-2065, Idaho Code, shall, promptly within ten (10) business days

of the termination, notify the Commission, in writing, of the termination and the facts giving rise to the termination.

(4) Closing a branch office. Immediately upon closing a branch office, the broker shall provide the Commission written notice of the closure advising of the new status of all licensees licensed with the closed branch. The broker shall immediately remove from public view the branch office license certificate and the license certificates of all licensees licensed in the branch office.

(5) Property of the broker. Upon termination of the business relationship as a sales associate licensed under a broker, the sales associate shall immediately turn over to the broker all listing information and listing contracts, keys, purchase and sale agreements and similar contracts, buyer brokerage information and contracts, and other property belonging to the broker. A sales associate shall not engage in any practice or conduct, directly or indirectly, which encourages, entices or induces clients of the broker to terminate any legal business relationship with the broker unless he first obtains written permission of the broker.

(6) Location of trust accounts and file records. When an actively licensed broker changes to a license status other than that of a designated broker, that individual must notify the Commission in writing of the location of all trust accounts and transaction file records which the broker was responsible for during the term of licensure as a designated broker. These records shall be available to the Commission for three (3) years following the year in which each transaction was closed.

(7) Terminating relationships between a broker and a sole proprietorship owned by a person other than the broker. When a broker for a sole proprietorship, owned by a person other than the broker, terminates an association with the owner, all records and trust account funds shall become the property of, and be maintained and disbursed by, the terminating broker in accordance with this chapter and applicable rules promulgated thereunder. The terminating broker shall deliver, upon request made in writing by the clients and the new broker of that sole proprietorship, such records and trust account funds pertaining to that client, to the new broker who shall thereafter have the responsibility for preservation and disbursement, in accordance with this chapter and applicable rules promulgated thereunder.

54-2057. Death or Incapacity of a Designated Broker.

(1) Legal business entities. Upon the death or incapacity of a designated broker for a legal business entity licensed as a real estate brokerage company in Idaho, the licensed entity shall appoint and designate a qualified individual as designated broker in the manner and within the time required in section 54-2039, Idaho Code, or shall cease to be licensed.

(2) Sole proprietorships. Upon the death or incapacity of a sole proprietor broker, the Commission may issue a limited authorization for an executor, administrator, conservator, personal representative, court-appointed guardian, or some other person or agency to close out the pending transactions on behalf of the deceased or incapacitated broker, and only in accordance

with the provisions of this section. The person given temporary authority shall close out the affairs of the deceased or incapacitated sole proprietor broker by taking the following actions:

(a) Termination of listings and buyer brokerage agreements. Termination of all listings and buyer brokerage agreements in which there are not outstanding offers or earnest money receipts.

(b) Completion of negotiations. Completion of all negotiations between buyers and sellers on transactions in which an offer to purchase has been written or received.

(c) Accounting for moneys. Depositing and withdrawing moneys from the real estate trust account in connection with completion of all transactions still pending at the time of death of a sole proprietor broker.

(d) Commissions. Prompt payment of all real estate commissions owing after closing of all transactions, both to the decedent broker's duly appointed personal representative and to sales associates of the deceased broker or participating brokers entitled to commissions resulting from the transactions.

54-2058. Authority to Investigate and Discipline.

(1) General authority to investigate. The Commission may investigate the action of any person engaged in the business or acting in the capacity of real estate broker or salesperson within the state of Idaho, or any person believed to have acted as a real estate broker or salesperson without a license in violation of section 54-2002, Idaho Code. Upon receipt of a written complaint from anyone who claims to have been injured or defrauded as a result of such action, or upon information received by the Executive Director, the Executive Director shall perform an investigation of the facts alleged against such real estate broker or salesperson or such unlicensed person. Prior to the initiation of any proceedings for the revocation or suspension of a license, or for such other disciplinary actions as set forth in section 54-2059, Idaho Code, the Executive Director shall transmit to the Commission a report, in writing, signed by the Executive Director, setting forth the facts alleged against such real estate broker or salesperson or unlicensed person. Upon receiving such report, the Commission shall make an examination of all the facts and circumstances connected with such report. If the facts set forth in the report are deemed insufficient by the Commission, no further action shall be taken, unless the Executive Director resubmits the report with additional facts supporting the filing of an administrative complaint. Should the Commission deem that the facts set forth in the report are sufficient to proceed with a formal action, the Commission shall authorize the filing of an administrative complaint against such person.

A person is acting "within the state of Idaho" if that person is dealing with any interest in real property or a business opportunity involving an interest in real property, which is situated in this state, or is conducting or attempting to conduct or solicit real estate business with residents of the state of Idaho.

(2) Audits. The Commission or its duly authorized representative is vested with the authority to conduct periodic inspections, surveys and audits of the transaction records and real estate trust accounts of all Idaho licensed designated brokers. Any transaction records or real estate trust account records located outside the state of Idaho shall promptly be made available to the Commission upon request at the licensee's own cost and at the location or in the manner requested by the Commission. If the analysis of a broker's real estate trust account indicates a deficiency or any irregularity which cannot be resolved between the Commission and the broker, the Commission may order a complete audit of the trust account by a certified public accountant at the broker's expense.

(3) The Commission also has the authority to investigate the action of any Idaho licensee as provided in this section. The licensee or broker shall answer all reasonable investigative questions of the Commission, and must make available, promptly upon request, any and all records to the Commission at the licensee's own cost and at the location or in the manner requested by the Commission.

54-2059. Disciplinary Powers—Revocation, Suspension or Other Disciplinary Action.

(1) The Commission may temporarily suspend or permanently revoke licenses issued under the provisions of this chapter, issue a formal reprimand and impose a civil penalty in an amount not to exceed five thousand dollars (\$5,000), and assess costs and attorney's fees for the cost of any investigation and administrative or other proceedings against any licensee who is found to have violated any section of the Idaho Code, the Commission's administrative rules or any order of the Commission. The Executive Director may issue informal letters of reprimand to licensees without civil penalty or cost assessment.

The Commission may impose a civil penalty in an amount not to exceed five thousand dollars (\$5,000) and assess costs and attorney's fees for the cost of any investigation and administrative or other proceedings against any person who is found, through a court or administrative proceeding, to have acted without a license in violation of section 54-2002, Idaho Code. The civil penalty provisions of this section are in addition to and not in lieu of any other actions or criminal penalties for acting as a broker or salesperson without a license which might be imposed by other sections of this chapter or Idaho law.

The Commission may also accept, on such conditions as it may prescribe, or reject any offer to voluntarily terminate the license of a person whose activity is under investigation or against whom a formal complaint has been filed.

(2) If the Commission suspends or revokes a license, or imposes a civil penalty, or assesses costs and attorney's fees, the Commission may withhold execution of the suspension, revocation or civil penalty, or costs and attorney's fees on such terms and for such time as it may prescribe.

(3) If any amounts assessed against a defendant by final order of the Commission become otherwise uncollectible or payment is in default, and only if all the defendant's rights to appeal have passed, the Commission may then proceed to district court and seek to enforce collection through judgment and execution.

(4) All civil penalties, costs, and attorney's fees collected by the Commission under this chapter shall be deposited in the state treasury to the credit of the special real estate fund established by section 54-2021, Idaho Code. Any amounts of civil penalties so collected, deposited and credited shall be expended for exclusive use in developing and delivering real estate education to benefit Idaho real estate licensees.

54-2060. Grounds for Disciplinary Action.

A person found guilty of misconduct while performing or attempting to perform any act requiring an Idaho real estate broker or salesperson's license, regardless of whether the act was for the person's own account or in his capacity as broker or salesperson, shall be subject to disciplinary action by the Commission. The following acts shall constitute misconduct within the meaning of this section:

- (1) Making fraudulent misrepresentations;
- (2) Engaging in a continued or flagrant course of misrepresentation or making of false promises, whether done personally or through agents or salespersons;
- (3) Failure to account for or remit any property, real or personal, or moneys coming into the person's possession which belong to another;
- (4) Failure to keep adequate records of all property transactions in which the person acts in the capacity of real estate broker or salesperson;
- (5) Failure or refusal, upon lawful demand, to disclose any information within the person's knowledge, or to produce any documents, books or records in the person's possession for inspection by the Commission or its authorized representative;
- (6) Acting as a real estate broker or salesperson under an assumed name;
- (7) Employment of fraud, deception, misrepresentation, misstatement or any unlawful means in applying for or securing a license to act as a real estate broker or salesperson in the state of Idaho;
- (8) Using, proposing to use, or agreeing to use a "double contract" as prohibited in section 54-2054(5), Idaho Code;
- (9) Seeking or receiving a "kickback" or rebate prohibited in section 54-2054(6), Idaho Code;

Any balance over twenty thousand dollars (\$20,000) shall be deposited in the special real estate fund and be subject to appropriation by the legislature for the use of the Commission to carry out the provisions of this chapter.

54-2070. Augmentation of Fund.

Upon the original application or renewal of every real estate broker's, associate broker's and salesperson's license for a two-year period, the licensee shall pay, in addition to the original or renewal license fee, a fee of twenty dollars (\$20.00). (1) When any person obtains a final judgment in any court of competent jurisdiction against any licensee under this chapter, upon grounds of fraud, misrepresentation or deceit with reference to any transaction for which a license is required under this chapter, such person may, upon termination of all proceedings, including appeals in connection with any judgment, file a verified petition in the court in which the judgment was entered for an order directing payment out of the real estate recovery fund in the amount of actual damages included in the judgment and unpaid, but not more than ten thousand dollars (\$10,000) per licensee per calendar year. The recovery fund's liability for all claims arising from the acts or omissions of any one (1) licensee in any calendar year shall be limited to a payment of not more than ten thousand dollars (\$10,000), regardless of the number of persons damaged

by the acts or omissions of a licensee, or the total amount of damage caused by such licensee, in any one (1) calendar year. If a claim is made against the fund and the Commission has actual knowledge of any other claims against the recovery fund which have been filed or asserted against the same licensee and arise from acts or omissions of the licensee in the same calendar year, then the Commission shall file an interpleader action in accordance with the applicable statutes and the Idaho rules of civil procedure against all known parties who may claim a right to payment from the fund. Unless the Commission has actual knowledge of other potential claims, as stated above, and so files the interpleader action, the first person who obtains a final judgment against a licensee shall be entitled to the payment of that amount equal to the lesser of the judgment or ten thousand dollars (\$10,000), providing the claimant meets the other criteria set forth herein.

(2) A copy of the petition shall be served upon the Commission and an affidavit of such service shall be filed with the court.

(3) The court shall act upon such petition within thirty (30) days after such service and, upon the hearing thereof, the petitioner shall be required to show that:

(a) He is not the spouse of the debtor, or the personal representative of such spouse;

(b) He has complied with all the requirements of sections 54-2069 through 54-2078, Idaho Code;

(c) He has obtained a judgment of the kind described in subsection (1) of this section, stating the amount thereof and the amount owing thereon at the date of the petition;

(d) He has caused to be issued a writ of execution upon the judgment and the officer executing the same has made a return showing that no personal or real property of the judgment debtor liable to be levied upon in satisfaction of the judgment could be found, or that the amount realized on the sale of them or of such of them as were found, under the execution, was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application thereon of the amount realized;

(e) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of real or personal property or other assets liable to be sold or applied in satisfaction of the judgment; and

(f) That by such search he has discovered no personal or real property or other assets liable to be sold or applied, or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so applied, and that he has taken all necessary action and proceedings for the realization thereof, and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized.

(4) Whenever the aggrieved person satisfies the court that it is not practicable to comply with one (1) or more of the requirements enumerated in subsections (3) (d), (e) and (f) of this section, and that the aggrieved person has taken all reasonable steps to collect that amount of the judgment or the

unsatisfied part thereof and has been unable to collect the same, the court may in its discretion dispense with the necessity for complying with such requirements.

54-2072. Commission May Answer Petition—Compromise of Claims.

(1) Whenever the court proceeds upon a petition as provided in section 54-2071, Idaho Code, the Commission may answer and defend any such action against the recovery fund on behalf of the recovery fund and in the name of the defendant and may use any appropriate method of review on behalf of the recovery account.

(2) The judgment set forth in the petition shall be considered as prima facie evidence only, and the findings of fact therein shall not be conclusive for the purposes of sections 54-2069 through 54-2078, Idaho Code.

(3) The Commission may, subject to court approval, compromise a claim based upon the application of a petitioner.

54-2073. Court Order Requiring Payment from Recovery Fund.

If the court finds, after hearing that the claim should be levied against the portion of the recovery fund allocated for the purpose of carrying out the provisions of sections 54-2069 through 54-2078, Idaho Code, the court shall enter an order directed to the Commission requiring payment from the recovery fund of whatever sum it finds to be payable upon the claim pursuant to the provisions of and in accordance with the limitations contained in section 54-2071, Idaho Code.

54-2074. Automatic Suspension of Broker's, Associate Broker's or Salesperson's License on Payment by Commission—Condition for License Reinstatement.

If, pursuant to court order, the Commission pays from the recovery fund any amount in settlement of a claim or towards satisfaction of a judgment against a licensed broker, associate broker or salesperson, the license of such broker, associate broker or salesperson shall be automatically suspended without further order of the Commission upon the effective date of any order by the court as set forth herein authorizing payment from the recovery fund. No such broker, associate broker or salesperson shall be granted reinstatement until he has repaid in full, the amount so paid from the recovery fund plus interest at the legal rate of interest allowable by law for judgments.

54-2075. Order of Payment of Claims If Recovery Fund Balance Insufficient—Interest.

If, at any time, the money deposited in the recovery fund and allotted for satisfying claims against licensees is insufficient to satisfy any authorized claim or portion thereof, the Commission shall, when sufficient money has been deposited in the recovery fund, satisfy such unpaid claims or portions thereof, in the order that such claims or portions thereof were originally filed, plus accumulated interest at the rate of eleven percent (11%) per annum.

54-2076. Commission's Right to Subrogation.

When the Commission has paid from the recovery fund any sum to the judgment creditor, the Commission has subrogated all other rights of the judgment creditor and the judgment creditor shall assign all his right, title and interest in the judgment to the Commission and any amount and interest so recovered by the Commission on the judgment shall be deposited to the recovery fund.

54-2077. Waiver of Rights.

The failure of a person to comply with all of the provisions of sections 54-2069 through 54-2071, Idaho Code, shall constitute a waiver of any rights hereunder.

54-2078. Disciplinary Action Against Licensees Not Restricted for Violations of Law or Rules.

Nothing contained in sections 54-2069 through 54-2078, Idaho Code, limits the authority of the Commission to take disciplinary action against a licensee for a violation of any of the provisions of the chapter, or of the rules of the Commission, nor shall the repayment in full of all obligations to the recovery fund by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the provisions of this chapter or the rules promulgated thereunder.

54-2079. Termination of Sales Associate for Violation of Disciplinary Provisions - Statement to be filed with Commission.

Whenever a real estate broker terminates a sales associate for a violation of any of the provisions of sections 54-2060 through 54-2062, Idaho Code, the broker shall promptly file a written statement of the facts in reference thereto with the Commission.

54-2080. Records—Disclosure to Public.

(4) To properly account for moneys or property placed in the care and responsibility of the brokerage; and

(5) To maintain the confidentiality of specific client information as defined by and to the extent required in this chapter, and as follows:

(1) A brokerage may represent both the buyer and the seller in the same transaction only as a limited dual agent and only with the express written consent of all other clients involved in the transaction.

(2) A brokerage acting as a limited dual agent may, at the option of the brokerage and with the express written consent of the other clients involved in the transaction, assign separate sales associates to each client to act on behalf of and represent that client solely. The designated broker shall not act as an assigned agent of the brokerage.

(3) The express written consent to limited dual agency shall contain separate signatures of all clients involved in the transaction and shall contain the following language:~

CONSENT TO LIMITED DUAL REPRESENTATION AND ASSIGNED AGENCY

The undersigned have received, read and understand the Agency Disclosure Brochure. The undersigned understand that the brokerage involved in this transaction may be providing agency representation to both the buyer and the seller. The undersigned each understands that, as an agent for both buyer/client and seller/client, a brokerage will be a limited dual agent of each client and cannot advocate on behalf of one client over another, and cannot legally disclose to either client certain confidential client information concerning price negotiations, terms or factors motivating the buyer/client to buy or the seller/client to sell without specific written permission of the client to whom the information pertains. The specific duties, obligations and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by section 54-2085, Idaho Code. The undersigned each understands that a limited dual agent does not have a duty of undivided loyalty to either client.

The undersigned further acknowledge that, to the extent the brokerage firm offers assigned agency as a type of agency representation, individual sales associates may be assigned to represent each client to act solely on behalf of the client consistent with applicable duties set forth in Section 54-2087, Idaho Code. In an assigned agency situation, the designated broker (the broker who supervises the sales associates) will remain a limited dual agent of the client and shall have the duty to supervise the assigned agents in the fulfillment of their duties to their respective clients, to refrain from advocating on behalf of any one client over another, and to refrain from disclosing or using, without permission, confidential information of any other client with whom the brokerage has an agency relationship.

(4) All duties and obligations owed to a buyer/client or a seller/client under section 54-2087, Idaho Code, apply to limited dual agency relationships to the extent they do not unreasonably conflict with duties and obligations owed to the other client, except that:

(a) A limited dual agent shall not disclose any of the following without express written consent of the client to whom the information pertains:

(i) That a buyer is willing to pay more than the listing price of the property;

(ii) That a seller is willing to accept less than the listing price for the property;

(iii) The factors motivating the buyer to buy or the seller to sell;

(iv) That a buyer or seller will agree to a price or financing terms other than those offered.

(b) A limited dual agent does not have a duty of undivided loyalty to either buyer/client or seller/client, and by consenting to limited dual agency, the buyer and seller agree to those limitations.

(5) The following apply whenever a brokerage acting as a limited dual agent assigns separate sales associates to act on behalf of the separate clients:

(a) Designated broker. The designated broker continues to act as limited dual agent of each client with the duty to:

(i) Supervise the assigned agents in the fulfillment of their duties to their respective clients;

(ii) Refrain from advocating on behalf of any one client over another; and

(iii) Refrain from disclosing or using, without permission, confidential information of any other client with whom the brokerage has an agency relationship.

(b) Imputed knowledge. Knowledge of any fact known to the brokerage, its designated broker, or any other licensee associated with the brokerage shall not be imputed to an assigned agent of the brokerage so as to create an impermissible conflict of interest. Nothing in this subsection shall diminish a licensee's duty with respect to facts actually known or that reasonably should have been known to the licensee.

(6) If a designated broker determines that confidential information of a client has been disclosed to another client in the transaction in violation of this section, the designated broker shall promptly provide written notice of the disclosure to the affected client.

(7) No cause of action for any buyer or seller shall arise against a limited dual agent for making any required or permitted disclosure under this act, nor does making such disclosure terminate the limited dual agency.

(8) Receipt of the agency disclosure brochure required by section 54-2085, Idaho Code, and the signed consent to dual representation by buyer and seller agreeing to limited dual agency representation shall be sufficient informed legal consent to dual representation under this act. A consent by the buyer and seller to possible dual representation in the future, such as may be contained in a written marketing or representation agreement between a brokerage and client, shall also be considered effective and informed legal consent to dual representation.

54-2089. Broker Compensation.

Payment of compensation or a written agreement only for payment of compensation to a brokerage shall not constitute an express agreement creating an agency relationship.

54-2090. Written Office Policy Required.

Each designated broker shall be responsible to adopt and maintain in each office, including branch offices, a written policy which identifies and describes the types of representation in which that brokerage and its associated licensees may engage with any buyer or seller, or both, as a part of that office's real estate brokerage services.

54-2091. Duration of Express Representation.

(1) A brokerage representation under this act shall commence on the date indicated on the written agreement between the brokerage and a buyer/client or seller/client and shall end at the earliest of:

- (a) Performance or completion of the representation;
- (b) Agreement by the parties;
- (c) Expiration of the agency relationship agreement.

(2) Nothing in this act shall prohibit the brokerage and the buyer or seller from changing the legal nature of their relationship or representation in accordance with this act during the course of the real estate transaction. However, the brokerage is not relieved thereby from meeting the disclosure requirements and obtaining the written agreements, consents or confirmations required by this act.

54-2092. Duties and Obligations Owed after Termination of Representation.

Except as otherwise agreed in writing, a brokerage owes no further duty or obligation to a client after termination of the agreed representation except:

(1) Accounting for all moneys and property received by the brokerage during the representation; and

(2) Maintaining the confidentiality of all information defined as confidential client information by this act.

54-2093. Vicarious Liability Abolished.

(1) A client, as defined in this act, whether buyer or seller, shall not be liable for a wrongful act, error, omission or misrepresentation of his broker, his broker's licensees, or subagent unless the client had actual knowledge of or reasonably should have known of the wrongful act, error, omission or misrepresentation.

(2) A licensee or brokerage engaged in representation of a client shall be entitled to rely upon representations made by a client and shall not be liable for a wrongful act, error, omission or misrepresentation made by the client or made by any subagent unless the licensee or brokerage had actual knowledge or reasonably should have known of the wrongful act, error, omission or misrepresentation.

(3) Nothing in this section shall be construed to diminish or limit any of the broker's or licensee's responsibilities under chapter 20, title 54, Idaho Code, or the rules promulgated thereunder.

54-2094. Representation Not Fiduciary in Nature.

While this act is intended to abrogate the common law of agency as it applies to regulated real estate transactions, nothing in this act shall prohibit a brokerage from entering into a written agreement with a buyer or seller which creates an agency relationship in which the duties and obligations are greater than those provided in this act. However, unless greater duties are specifically agreed to in writing between the brokerage and a represented client, the duties and obligations owed to a represented client in a regulated real estate transaction are not fiduciary in nature and are not subject to equitable remedies for breach of fiduciary duty.

54-2095. Conflicts with Other Law.

If the provisions of this act are found to be in conflict with any other provision of Idaho law, the provisions of this act shall control.

54-2096. Severability.

The provisions of this chapter are severable and if any provision of this chapter or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this chapter.

54-2097. Rulemaking Authority of the Commission.

The Idaho Real Estate Commission shall have authority to promulgate rules in accordance with the provisions of Chapter 52, Title 67, Idaho Code, to implement the provisions of this chapter.

[. . .] It shall be unlawful for any person to appraise, practice appraisal, assume to act as, or hold themselves out to the public as an appraiser, or carry on the calling of an appraiser within the state, or to perform an appraisal of real estate located in this state unless the person has first been licensed or certified by the board under the provisions of this chapter.

54-4105. Exceptions.

[. . .] (2) The provisions of this chapter shall not apply to a licensed real estate broker, associate broker or salesperson who, in the ordinary course of his business gives an opinion of the price of real estate for the purpose of a prospective listing or sale, provided that such person does not represent himself as being a state licensed or certified real estate appraiser.

(3) The provisions of this chapter shall not prohibit a real estate broker or associate broker licensed under Chapter 20, Title 54, Idaho Code, whose license is active and in good standing, from rendering a broker's price opinion, for which the broker may charge a fee, provided the broker's price opinion complies with the following requirements:

(a) The broker's price opinion shall be in writing and contain the following:

- (i) A statement of the intended purpose of the price opinion;
- (ii) A brief description of the subject property and property interested to be priced;
- (iii) The basis of reasoning used to reach the conclusion of the price, including the applicable market data and/or capitalization computation;
- (iv) Any assumptions or limiting conditions;

(vi) The name and signature of the broker(s) issuing the price opinion and the date of its issuance;

(viii) A disclaimer that the broker's price opinion is not intended to be an appraisal of the market value of the property, and that if an appraisal is desired, the services of a licensed or certified appraiser should be obtained.

The broker's price opinion permitted under this chapter may not be used as an appraisal, or in lieu of an appraisal, in a federally related transaction.[. . .]

Chapter 31, Title 26, Section 26-3103. Exemptions to the Residential Mortgage Practices Act.

02. Fees for Licensed Legal Business Entities. **The fee for an initial or renewing license for each** legal business entity shall be one hundred dollars (\$100) per license period.

101.—116. (RESERVED).

117. CERTIFICATION OF MANDATORY ERRORS AND OMISSIONS INSURANCE.

Every licensee, upon obtaining or renewing an active real estate license in the state of Idaho, including nonresident and reciprocal licensees, shall have in effect and maintain a policy of Errors and Omissions insurance when required by section 54-2013, Idaho Code, to cover all activities contemplated under Chapter 20, Title 54, Idaho Code and shall certify such coverage to the Commission in the form and manner prescribed by statute and in these rules.

01. Certification Of Licensees Under Group Insurance Plan. Licensees covered under the Group Insurance Plan, as provided for in section 118 of these rules, shall be deemed to have satisfied the certification requirement of section 117. The effective date of coverage, however, shall be the day of final license approval.

02. Certification Of Licensees Obtaining Independent Coverage. Licensees obtaining independent coverage, as provided for in section 119 of these rules, shall obtain a Certificate of Coverage, signed by an authorized agent or employee of the insurance carrier, which certificate shall be in a form approved by the Commission, reflecting proof of insurance meeting the requirements established by the Commission. Upon request by the Commission the licensee shall produce for inspection the Certificate of Insurance.

118. GROUP INSURANCE PLAN.

The Commission shall make available to all active licensees, subject to terms and availability from a qualified insurance carrier, a policy of Errors and Omissions Insurance under a Group Plan obtained by the Commission.

01. Qualified Insurance Carrier Defined. For the purposes of this section, a “qualified insurance carrier” shall mean an insurance carrier.

a. Which, for the entire term of its contract shall provide the Group Plan of Errors and Omissions insurance contemplated by these rules, maintains an A.M. Best Company rating of B+ or better, and an A.M. Best Financial Size Category of Class VI or higher;

b. Which is and will remain for the policy term duly authorized by the Idaho Department of Insurance to do business in the state of Idaho as an insurance carrier.

c. Which is and will remain for the policy term qualified and authorized by the Idaho Department of Insurance to write policies of Errors and Omissions insurance in Idaho of the type contemplated by these rules.

d. Which, after competitive bidding, has been notified by the Commission that it is the successful bidder for the Group Plan to provide the Errors and Omissions insurance contemplated by these rules; and

e. Which has entered into a contract to provide said group Errors and Omissions plan in conformity with said contract, these rules and the Idaho Real Estate License Law.

02. Right To Cancel. The group policy obtained by the Commission under these rules shall be available to all active licensees with no right on the part of the carrier to cancel any licensee.

03. Approved Policy. The group policy obtained by the Commission shall cover all activities contemplated under Chapter 20, Title 54, Idaho Code, shall be subject to such terms and conditions as are customary in the insurance industry for policies of Errors and Omissions insurance, which are otherwise permissible under Idaho law and the rules of the Idaho Insurance Department, and which are contained in a policy of insurance which has been approved by the Department of Insurance; provided, however, that said Group Plan shall provide, at a minimum, the following terms and conditions:

a. Not less than one hundred thousand dollars (\$100,000) limit liability coverage for each occurrence, not including costs of investigation and defense.

b. An annual aggregate limit of not less than three hundred thousand dollars (\$300,000), not including costs of investigation and defense.

c. The minimum coverage requirements of this Subsection shall apply to each individual licensee;

d. A deductible amount of not greater than three thousand five hundred dollars (\$3,500), which shall include costs of investigation and defense;

e. A reasonable premium not to exceed the maximum premium set forth in section 54-2013, Idaho Code;

f. A policy period equal to each licensee's two (2) year license renewal date or the prorated equivalent, or, if an annually renewable policy, a statement of the policy period, and in either case, the policy shall provide for continuous coverage during the policy period.

g. An extended reporting period per insured of at least ninety (90) days following termination of the policy period;

h. Prior acts coverage shall be offered to licensees with continuous past coverage.

04. Standard Of Group Policy Determined. For the purposes of these rules and the fulfillment of the Commission's obligations under Idaho Real Estate License Law, approval by the Idaho Department of Insurance of any group policy of Errors and Omissions insurance to be issued to the state of Idaho pursuant to these rules shall be conclusive proof that the terms and conditions of said policy meet the standards and practices in the insurance industry with respect to such policies, and that said policy meets the requirements of Idaho law and the rules of the Idaho Insurance Department with respect to such policies of insurance.

119. INDEPENDENTLY OBTAINED ERRORS AND OMISSIONS INSURANCE.

Licensees may obtain Errors and Omissions insurance independently of the Group Policy available through the Commission, subject, however, to the terms and conditions set forth in these rules.

01. “Independently Obtained” Insurance Defined. The term “independently obtained” insurance shall mean a policy of Errors and Omissions insurance issued to each individual licensee or issued to the firm with which the licensee is affiliated and which shall provide, at a minimum, all of the following terms and conditions:

a. Covers all activities contemplated under Chapter 20, Title 54, Idaho Code, under such terms and conditions as are customary in the insurance industry for policies of Errors and Omissions insurance, which are otherwise permissible under Idaho law and the rules of the Idaho Department of Insurance, and which are contained in a policy of Errors and Omissions insurance which has been approved by the Idaho Department of Insurance;

b. If an “individual” policy specifies not less than one hundred thousand dollars (\$100,000) limit liability coverage for each occurrence, not including costs of investigation and defense;

c. If a “firm” policy specifies not less than five hundred thousand dollars (\$500,000) limit liability coverage for each occurrence, not including costs of investigation and defense;

d. If an “individual” policy, an annual aggregate limit of not less than three hundred thousand dollars (\$300,000), not including costs of investigation and defense;

e. If a “firm” policy, an annual aggregate limit of not less than one million dollars (\$1,000,000), not including costs of investigation and defense;

f. If an “individual” policy, the minimum coverage limits specified in Subsection 119.01 shall be available to each licensee;

g. If a “firm” policy, the minimum coverage limits specified in Subsection 119.01 shall apply to the firm;

h. An extended reporting period per insured of at least ninety (90) days following termination of the policy period;

i. No policy of Errors and Omissions insurance shall be deemed “independently obtained” for purposes of this rule unless the insurance company specifically agrees in writing that it will not terminate, cancel, lapse, fail or refuse to renew or modify such policy without the company first providing the Commission and the licensee with thirty (30) days’ written notice;

j. Contains a period equal to each licensee’s two (2) year license renewal date or the prorated equivalent and which provided for continuous coverage during said policy period, or, if an annually renewable policy, a statement of the policy period and, in either case, the agreement of the insurance carrier that it will not modify, terminate, cancel, lapse or not renew the policy without first providing the Commission and licensee thirty (30) days written notice; and

k. Prior acts coverage shall be offered to licensees with continuous past coverage.

02. Approval By Department of Insurance. For the purposes of these rules and the fulfillment of the licensees' obligations under Idaho Real Estate License Law, approval by the Idaho Department of Insurance of a policy of independently obtained Errors and Omissions insurance covering the licensee shall create a presumption that the terms and conditions of said policy meet the standards and practices in the insurance industry with respect to such policies, and that said policy meets the requirements of the law and rules of the Idaho Department of Insurance with respect to such policies of insurance. Approval by the Department of Insurance, however, does not create any presumption of equivalency in coverage as required by Idaho Real Estate License Law and these rules.

03. Carrier Issuing Independent Policy. A carrier issuing an independent policy shall meet all of the requirements of a qualified carrier set forth in Subsections 118.01.a. through 118.01.c. and shall maintain an A.M. Best Company rating of B+ or better and an A.M. Best Financial Size Category of Class VI or higher.

120. CERTIFICATION A PREREQUISITE FOR LICENSE ISSUANCE OR RENEWAL.

No applicant for an original active license or for renewal of an active license shall be issued such active license unless the applicant has certified to the Commission, in the form and manner approved by the Commission, that he is in compliance with the insurance requirements of this chapter. This certification of compliance by the applicant shall satisfy the filing requirement of section 54-2013, Idaho Code.

121. FAILURE TO MAINTAIN INSURANCE.

Failure of a licensee to obtain and maintain insurance required by subsection 117.02 shall result in inactivation of any active license issued pursuant to Idaho Real Estate License Law or denial of any application for issuance or renewal of an active license. Failure to maintain insurance as required herein shall be deemed insufficient application for licensure under section 67-5254, Idaho Code.

01. Notice Of Noncompliance. Within five (5) working days of the date the Commission is notified that a licensee does not have required coverage, the Commission shall notify the affected licensee of noncompliance. Notice shall be sent by certified mail to the licensee's business or residence address, as reflected in the Commission's records, and a copy of the notice shall be sent to the licensee's broker, if any. The notice shall provide that the licensee has ten (10) days in which to comply with the law and these rules regarding Errors and Omissions insurance. Failure to comply at the end of ten (10) days shall result in the license being automatically inactivated.

02. Reactivation. Any licensee whose license has been inactivated for failure to comply with these rules shall be entitled to activate said license, relating back to and including the date of inactivation, provided that, within

thirty (30) days of the date of inactivation, the licensee or Group Plan Administrator files with the Commission a certificate of coverage showing that such coverage has been and is currently in effect on and from the date of inactivation, with no lapse in coverage. Further, the licensee must submit required documents and fees to activate said license. In the event the certificate of coverage shows an effective date later than the date of inactivation, said license shall be activated as of the effective date of said insurance, as reflected in the certificate of coverage, and upon submission of any required documents and fees.

03. Failure To Maintain Insurance. Failure of a licensee to maintain Errors and Omissions insurance or failure of a licensee to submit or cause to be submitted a certificate of coverage as required by section 54-2013, Idaho Code, and in accordance with these rules and while engaging in the business of real estate broker or real estate salesperson, as defined in sections 54-2002 and 54-2004, Idaho Code, shall constitute a violation of these rules, and shall be grounds for disciplinary action as provided in sections 54-2059 and 54-2060, Idaho Code, including but not limited to the assessment of civil fines.

122. FALSIFICATION OF CERTIFICATES.

Any licensee who, acting alone or in concert with others, wilfully or knowingly causes or allows a certificate of coverage to be filed with, or produced to, the Commission which is false, fraudulent, or misleading, shall be subject to disciplinary action, including but not limited to suspension or revocation of license, in accordance with Chapter 52, Title 67, Idaho Code; provided, however, that nothing herein shall entitle such licensee to notice and hearing on the automatic inactivation of license provided for in Subsection 121.01.

304. OFFICE OPERATIONS AND BROKER SUPERVISION.

A designated broker is required to adequately supervise the activities of licensees and unlicensed personnel for whom he is responsible. The following factors will be among those used to determine adequacy of supervision; however, the Commission is not limited to making a determination on these factors alone, but will examine all pertinent evidence.
